

Charitable Funds

*Great giving options.
Choose the one that's right for you.*

Donor Advised Funds. You can use your gift to establish an excellent alternative to a private foundation. You can have ongoing involvement in the use of your gift by working with our professional staff, identifying ways to use dollars from the Donor Advised Fund you establish. You can remain actively involved in suggesting community issues and needs you care about most. Your recommendations are submitted to our local board for approval; we then distribute grant dollars.

Scholarships. You can invest your gift in your community's future and show students you care all with the guidance and personal services of your community foundation. You determine the criteria students must meet to receive the scholarship you establish. With your assistance, students achieve their academic and career-oriented goals – from preschool to postgraduate work.

Designated Funds. You can designate your gift to a specific nonprofit organization or purpose. Help provide ongoing funding for a senior center, museum, or virtually any nonprofit charitable organization. Nonprofit organizations can use a Designated Fund through the community foundation to build their endowment and enhance their ability to accept large and complex gifts.

Field of Interest Funds. You can target your gift to address needs in an important area of community life. Arts. AIDS. Aging. At-risk youth. You identify your personal interest area when making your gift; our board awards grants to community organizations and programs that are making a difference in the area you select.

Unrestricted Funds. Your gift can address ever-changing community needs – including future needs that often cannot be anticipated at the time your gift is made. We evaluate all aspects of community well-being – arts and cultures, economic development, education, environment, health and human services, neighborhood revitalizations, and more. The flexibility of your unrestricted gift enables your community foundation's program experts to respond to the community's most pressing needs, today and tomorrow.

Supporting Organizations. If you would like to establish a supporting organization, please contact the Community Foundation's advancement office to discuss your options.

Establish a fund in your name

Any of these funds can be established in your name, or in the name of your family, your organization, or anyone you wish to honor. All grants distributed from the fund – today and in the future – are then awarded to charities in the name of that fund. It's a great way to always be involved with, and remembered for, your community investments.
