# A Letter from the President

Dear Friends,

I am delighted to introduce the Elkhart County Community Foundation's Annual Report for fiscal year 2011-2012. As you read this report, you will note the \$3.3 million in grants and scholarships awarded through ECCF's various designated, donor-advised, field of interest and discretionary funds. Perhaps you will find interesting the \$4.1 million in contributions we received. Some of you want to see if the Foundation's core endowment has grown; I am disappointed to report we experienced a modest shrink in our endowment due to both meager investment returns and our aggressive grant-making. These are all important indicators of our progress and stewardship and are data points I look for when reading others' annual reports.

As I edited this letter, I found myself reflecting on the lives that our donors quietly touched last year and am reminded of the important work being done by our County's grant recipients. I am thankful for the work done by the *Center for Healing and Hope* in caring for the medically uninsured. I am proud of our commitment to preserve history and present the arts through our investments in the *Midwest Museum of American Art*, *The Ruthmere Foundation*, *WNIT Television*, and the *Elkhart Jazz Festival*. I am moved by the ministry occurring in the lives of women trying to rebuild their lives and families with the help of *Beauty for Ashes*, *Guidance Ministries* or *Spa Women's Ministry*.

I am inspired by the investment we have made in our young people through grants to *Boy Scouts*, *Back-2-School Elkhart*, *Bashor Children's Home*, *Boys and Girls Clubs*, *CAPS*, *Child Development Center*, *Five Star*,

*Ryan's Place*, *The Post*, and *Youth for Christ*.

Furthermore, I am optimistic our annual scholarship investment in hundreds of college students is equipping our next generation of leaders.

I am equally inspired when I reflect on the names of the more than 500 individuals who utilized ECCF as a conduit for their selfless giving last year. The people and stories represented by this list are remarkable.

As you read this report, I am honored to state that the 2012-2013 year is off to an excellent start and includes yet another set of people and their impressive stories of generosity. I am quite certain you will be encouraged by the growth of ECCF in next year's Annual Report.

It has been my pleasure to serve as ECCF's president this past year. I want to thank the Foundation's board, staff, volunteers and donors for their warm embrace and welcome. I am truly excited to work alongside such a terrific group of people as, together, we seek to improve the quality of life in Elkhart County by inspiring generosity.

Warm regards,

Pete

- William Butler Yeats

We work to build the resiliency and effectiveness of both health and human service organizations knowing that vulnerable organizations cannot adequately serve vulnerable people.

When basic needs and the physical health and well-being of people are met, these individuals can then focus on higher-level needs that have significant consequences for long-term well-being.
