CRITERIA	INSUFFICIENT 0-5 POINTS	NEEDS IMPROVEMENT 6-10 POINTS	ADEQUATE 11-15 POINTS	EXEMPLARY 16-20 POINTS	SCORE
COMMUNITY NEED	Project addresses symptom(s) not root cause of problem. Project impacts a small number of people.	Project does address an underlying root cause; is likely to have at least a short term impact. Limited number of people impacted.	Project does address root cause. Impact on a significant number of people or underresourced population.	Project presents strong case for effectively addressing root cause of a problem with long term impact. Impact on a very significant number of people or underresourced population.	
PROJECT GOALS	The project does not define success, or does not have a way to measure progress. Not innovative.	Project partially defines success, or has weak ways to measure progress or is not innovative.	Project defines success and some measures of progress, little evidence of innovation.	Project clearly defines success, has clear measures of progress in place, or is an innovative approach.	
PARTNERS - COMMUNITY and PARTICIPANTS	Organization is not aware of other organizations doing related work. Little evidence of seeking community or participant input.	Organization is open to building collaborative partnerships with others doing related work. Has sought community input. Little to no participant input.	Collaborative partnerships with other organizations are being built. Some evidence of community and participant input.	Organization has demonstrated high quality, meaningful relationships with partner organizations. Organization seeks input from participants for designing, planning, and evaluating programs.	
STAKEHOLDER SUPPORT/LEVERAGE	Project has neither financial support from their board nor outside sources.	Project has some limited outside support; ongoing sustainability is not secured.	Project includes some support from board members and could secure additional funding if needed. Limited plans for financial sustainability.	Project has other committed funders; has the potential to inspire philanthropy. Board members and donors support project. Reasonable plan in place for ongoing funding if necessary.	
ORGANIZATIONAL CAPACITY	Organization in developing stage. Proposed project is not clearly aligned with mission or supported by strategic plan and oversight.	Organization has some history of success. Project is aligned with their mission. Limited evidence of strategic leadership.	Organization has limited history but demonstrates commitment and progress toward high performance.	Organization has a proven track record of success and demonstrates capacity to complete project successfully.
