From the President

Dear Friends,

I am delighted to introduce the Elkhart County Community Foundation's 25th Anniversary Annual Report for fiscal year 2013-2014. If you read annual reports like I do, you will likely be interested to note the Foundation received more than \$6.5 million in new contributions, realized investment returns of \$27.0 million and distributed \$7.0 million in grants and scholarships to our community. Indeed, this was a successful year when one evaluates our performance "metrics." The Foundation endowment now stands at \$225 million which ranks us among the largest community foundations in the United State.

However, the Foundation's mission work is not about asset accumulation. Our mission is "to improve the quality of life in Elkhart County, by inspiring generosity." To this end, I am thankful for those with whom we work, both donors who choose to use the Foundation as a conduit of their philanthropy and our partners working in the not-for-profit sector. Together, we are building a world-class community for people to live, work, learn and play.

Looking ahead I am pleased to announce an opportunity recently presented to the Foundation by the Lilly Endowment. The Lilly Endowment has awarded the Foundation a \$1.5 million challenge grant to benefit Elkhart County. Under the terms outlined by the Lilly Endowment, our community is required to raise a matching amount by March 31, 2016. The Lilly Endowment permits half of this grant to be

immediately invested in community projects. As such, the Foundation board has selected one organization in each of our focus areas of Youth Development, Vibrant Community, and Quality of Life to receive a \$250,000 grant as a result of this challenge. The other half of the Lilly award must be dedicated to the unrestricted endowment of the Foundation. As such, we have dedicated this \$750,000 plus the required matching \$750,000 to building a Fund for Excellence. This fund will focus on proactive programming intended to help Elkhart County nonprofit organizations improve their governance, planning, assessment and fundraising capacities.

I am very excited by these initiatives and the opportunity to secure \$1.5 million for our community from the Lilly Endowment. What a wonderful way to begin our next 25 years! I hope you will choose to be a part of the journey as, together, we are building a world-class community for the citizens of Elkhart County.

Warm regards,

Pete McCown

Established in 1989, the Elkhart County Community Foundation is a public charitable foundation with endowed assets devoted to helping people from all communities within Elkhart County. The Foundation is inspired on a daily basis by the generosity of others.

ECCF is dedicated to transforming Elkhart County by:

- Advising donors of all types and their professional advisors on charitable giving.
- Awarding grants to effective not-for-profit organizations that are doing invaluable work in our communities.
- Providing leadership to address critical needs with a focus on youth development, vibrant community and quality of life.
